I am glad if I can gaze at the wall

ICH WÜRDTE MICH FREUEN,
WENN ICH ETWAS AUF
DIE ANDERE SEITE
DER MAUER SCHREIBEN DÜRFTE

When I was in Alexanderplatz in East-Berlin I went up to somebody and whispered in his ear: „Genosse! ICH BIN FROH wenn ich dir etwas zuflüstern kann.“ Then I looked around carefully and disappeared.

Ernst Thälmann

**I AM GLAD if I can ask something,
because it often happens to me
that I can't ask anybody anything.
Then after a while I want more
and more to ask something at last.
So once I asked a passer-by on
Ku'damm: „Ooooo ooo oooo oo oo-
oo oooo oooooo?“ „It's absolutely
impossible“ he said, laughing aloud.**

Ernst J. H.

I AM GLAD if I can be thinking about something at last, as it often happens that I don't think about anything, I'm simply bored. So one day when I'd been lying on my Daad-double-bed for hours doing nothing, I suddenly let out a deep sigh. I began to think deeply about the way I could make a document of it for posterity.
